

For Prescribers Licensed in Connecticut

Pursuant to Connecticut Public Act No. 23-171 (2023), Verona Pharma, Inc. makes the following pricing disclosure to a practitioner or pharmacist licensed by the State of Connecticut to prescribe prescription drugs. The price(s) below represent the wholesale acquisition cost (or WAC), also known as the list price, for Ohtuvayre™ (ensifentrine) as of the date of this notice.

WAC is the price to wholesalers and warehousing chains, not including prompt pay, stocking or distribution allowances, or other discounts, rebates, or chargebacks. WAC may not represent prices charged to other customers, including specialty distributors, and is not the price that most patients pay for the product. For more information on the prices that patients pay, please check with the patient's healthcare provider.

As required by Act No. 23-171, where available, Verona Pharma, Inc. also provides information on the variation efficacy of the prescription drug to the prescribing practitioner or pharmacist based on the dose and quantity of that drug to marketed to different racial and ethnic groups.

Prices are subject to change without notice. This notice is not a solicitation and does not constitute an offer to sell any Verona Pharma, Inc. product.
